DESCRIPTION

Building land with an area of 691 m² located in Brtonigla represents an exceptional investment opportunity in an attractive location. The plot is intended for construction, allowing the realization of various projects in accordance with the valid urban plan.

Brtonigla is known for its peaceful atmosphere and favorable position, making this location particularly attractive for those seeking investment in a quality environment. Proximity to all important amenities contributes to the value of the land and opens possibilities for the development of buildings with different purposes.

The land use permits the construction of residential buildings, making it ideal for building a family house, holiday home, or other residential structures. The location is also suitable for investors considering further development or sale of built properties.

For any additional information or to arrange a viewing, feel free to contact us and discover the potential this building land offers on the real estate market.
