Building land Brtonigla

Brtonigla

122.250 EUR

 815 m²

 Ne

DESCRIPTION

Building land with an area of 815 m², located in Brtonigla, offers an excellent opportunity on the real estate market. This plot, which is for sale, stands out due to its building designation and represents an attractive option for various investors and private buyers.

The land is categorized as building land, which allows the realization of different projects in accordance with valid spatial plans. Its location in Brtonigla further increases the value of this property, considering the attractiveness of the area.

The size of 815 m² provides flexibility in planning and constructing buildings of various purposes, in accordance with spatial conditions and legislation. The location and land type are suitable for building residential buildings or other construction projects foreseen by the spatial plan.

Information on the availability of infrastructure such as water, electricity, or sewage is not provided.

The land is intended for construction, as defined by spatial planning documentation. All further steps and necessary construction permits are subject to applicable legal regulations.

This offer represents an excellent opportunity at an affordable price. We invite you to consider the potential of this plot and take advantage of the opportunity to invest in a promising property in a sought-after location.
