DESCRIPTION

Building land with an area of 660 m² located in Brtonigla represents an excellent opportunity for investment or construction according to your own needs. This plot is categorized as building land, which allows for the realization of various plans in accordance with the valid spatial regulation.

A key feature of this land is its location in Umag, a town known for its developed infrastructure and dynamic environment. The area of 660 m² offers enough space for the construction of a building or the development of various projects in accordance with the conditions of the building purpose.

Considering the building purpose of the land and its position, the plot is suitable for the construction of residential buildings, development of commercial spaces, or other projects permitted by the competent authorities. Precise usage possibilities are determined by the local spatial plan and relevant regulations.

The land is being sold at a favorable price, which represents a significant advantage for buyers seeking an optimal ratio of value and investment profitability.

For additional information and the possibility of viewing, we invite you to contact us with confidence and take advantage of this opportunity to realize your own plans in an attractive location in Umag.
