DESCRIPTION

In the Lovrečica settlement, there is a resort consisting of 21 villas and 16 apartments. The resort includes a range of amenities such as wellness and SPA, a modern equipped fitness center, a café and wine bar, and a charging station for electric cars. The resort will have 24-hour video surveillance. The semi-detached house has a total area of 211.95 m² and consists of a hallway, living room, kitchen and dining area, 3 bedrooms, 3 bathrooms, and an 18.11 m² terrace. The joinery is Schüco aluminum with electric shutters, and heating is provided by a Daikin heat pump. The house will be clad with Istrian stone, which is characteristic of this area. The house includes one garage space. The house will be equipped with a smart home system, which is an added value of the apartment. The completion date is summer 2025. The price is expressed without VAT. Apartments are sold on a turnkey basis. Nearby the property, there is a beach 200 m away, a store 500 m away, a beach bar 200 m away, and Umag 5000 m away.
